## Need Help Choosing a Medicare Health Plan?

## Group Medicare Advantage PPO

- Access to UHC's national network of providers
- You can use any provider that participates in Medicare and accepts the plan
- You do not need a primary care physician (PCP)

- No referrals are needed to see a specialist
- Same copayment for cost of service in and out of network
- Begin paying 25% coinsurance for prescriptions drugs in the Coverage Gap

## **Group Medicare Advantage HMO**

- Only available in Arizona
- Out of area coverage while traveling is only for unforeseen urgent or emergency
- Must choose a primary care physician (PCP) to manage your routine health care

- Need referral to specialists in the network
- Must stay within the HMO network of providers
- Continue to pay your copay for prescription drugs in the Coverage Gap
